\* Deep Top Kit is required when ordering Stock Picking Shelf Kit. † All-Direction Maneuverability Kits and Stock Picking Shelf Kits cannot be combined.

## Customize Your U-Design Steel Rolling Ladder

Configure your U-Design Steel Rolling Ladder exactly how you want it. Combine additional features to build a productive ladder for your needs.

### Select from 3 Accessory Kits

**Perforated**

**Serrated**

- **Deep Top Kits**—Add 10" or 20" of additional length to the platform.

- **All-Direction Maneuverability Kits**—Enable the ladder to turn within its own radius.

- **Stock Picking Shelf Kits**—Add two or three 50-lb. capacity shelves.

Note: All-Direction and Stock Picking Shelf Kits cannot be combined. A Deep Top Kit is required when ordering a Stock Picking Shelf Kit.
